ABSTRACT

The project aims to develop an imported and exotic fish store, catering to the demands of passionate aquarists seeking captivating aquatic diversity. The project recognizes the growing interest in unique and rare fish species, offering an opportunity to provide customers with a remarkable selection of imported and exotic fish species from around the world. The store will focus on sourcing and offering a wide variety of rare and sought-after fish species, carefully curated for their aesthetic appeal, rarity, and compatibility with aquarium life. By partnering with reputable suppliers, the store aims to provide customers with access to a range of vibrant, colourful, and exotic fish that are not commonly found in local markets.

Modules:
